KEARSARGE REGIONAL ELEMENTARY SCHOOLS

SUGGESTED SUMMER READING LIST

KRSD STUDENT CHOICES 2020

Note to students: The Kearsarge Regional School District encourages you to read this summer. This list of favorite books has been compiled for your reading enjoyment. You will find these and other titles at your town library and local bookstores.

Note to parents: Reading and library-media specialists have compiled this list from students' favorite choices. This list is to give ideas for reading, but students can also select any books that capture their interest. The final decision for appropriate reading material rests with you. We encourage you to preview and discuss your child's choices. Books from higher reading levels are excellent choices for reading aloud to children, and picture books are meant to be enjoyed by all ages.
