Student Mission Statement

(Created by the students at the Sutton Central School in September 2002)

I am a Sutton Central School student. It is my job to learn, to be a respectful member of the school community, and to prepare for my future. It is my responsibility to take care of myself.

Kearsarge Regional School District

Inspiring learner, committing to community, contributing to a dynamic world.

Kearsarge Mission Statement

We are seven towns, seven schools, and one district committed to partnering with families and community, to support and prepare learners who:

- Pursue academic excellence.
- Are caring, compassionate community members who support each other.
- Make positive contributions to the world and value diversity.
- Promote personal responsibility, accountability, and wellness.
- Value the collaborative process while maintaining a sense of self-advocacy.
- Celebrate creativity.
- Are flexible, resilient, and embrace individual growth.

School Enrollment

Students entering Sutton Central School need a birth certificate, a completed medical form, and a copy of their immunization record. Students must be five years of age on or before September 30th to enter Kindergarten.

Attendance, Tardiness and Truancy (KRSB Policy JH)

Regular attendance and punctuality are essential for a successful school year. Students are expected to attend school unless they are ill or there is a family emergency. Unexcused absences exceeding 10 school days are considered chronic and may be reported to the truant officer. Please note that the Kearsarge attendance policy (JH) states that there are two kinds of absences: excused and truancy. Excessive excused or unexcused absences may result in academic consequences and legal procedures may be instituted. Students granted excused absences will be allowed and encouraged to make up any work that is missed.

Students should be prompt in arriving, but not arrive prior to **7:45 am**, when supervision begins. Students should leave the school grounds as soon as they are dismissed, unless other arrangements have been made (for example, after school clubs, Boys & Girls Club). Please call Sutton Central School at 603.927.4215 any time before 8:30 am to report an absence or late arrival. If we do not hear from you and your child is not present, we will assume your child is missing and may contact for verification. Dismissal of a student must either be at the request of a parent/guardian or by the nurse due to illness or injury. The request for dismissal should be made in writing. All dismissals shall go through the office where children will be met by parents for pick-up.

Determination as to whether a student absence is excused or unexcused will be made by the principal of Sutton Central.

Excused Absences

The Board considers the following to be excused absences:

1. Illness
2. Recovery from an accident
3. Required court attendance
4. Medical and dental appointments
5. Death in the immediate family
6. Observation or celebration of a religious holiday
7. College visits
8. Family vacation/education opportunities
9. Such other good cause as may be acceptable to the Principal or permitted by law

Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

***Students will only be released during the school day to the parent/guardian OR to those persons listed as “emergency contacts” on their registration information. If students are to be signed out by someone other than the individuals listed above, the office needs written notification from the parent indicating who has permission to pick-up and sign out their child

during the school day. If there are persons to whom a child should **NOT** be released (i.e. non-custodial parent) we must have legal documentation on file indicating to whom the child cannot be released.

Trips/Vacations

Research indicates that it is not educationally sound to remove a child from school for a trip/vacation. While paperwork can be made up from being absent, your child will miss valuable direct instruction and direct interaction with teachers and students.

Generally, absences other than for illness during the school year are discouraged. The principal may, however, grant special approval of absence for family vacations, provided written approval is given in advance. Parents are asked to write a note to their child's teacher(s) at least two weeks before the trip. This advance planning will allow the teacher enough time to work with parents and the student regarding the completion of assigned work.

In the event that you do choose to remove your child from school for a trip/vacation, the following policies should be followed:

- *Two weeks before the vacation, submit in writing the student's dates of absences. Please read the attendance policy (policy JH).

Medication

Medicine may be given in school by the school nurse or designated staff member. All medications, including inhalers, must be properly labeled with the name of the drug, student's name, dosage and time taken. For grades 4 & 5, inhalers may be kept with a student in school. State law requires that all medications must be kept in the nurse's office.

Lost and Found

Lost items are placed in a bin in the Lobby. Parents are urged to check for lost clothing periodically and to mark names in clothing and backpacks. At the end of each quarter, unclaimed items are given to a charitable organization.

Food Services

School lunches and snacks are available for students in grades Kindergarten through 5. All children may purchase milk and snacks in the morning.

KRSD Food Service Director: Melina Cochran can be reached at 927-2329, or by email at fsd@kearsarge.org

Snack	\$1.60
Lunch	\$2.85 (Reduced .40)
	A la carte milk\$.65

Parents are encouraged to pay for their student through **My School Bucks** (myschoolbucks.com). Here you can view account balances and meal purchases, schedule automatic payments, make payments at anytime, anywhere through their mobile app. Parents may also send money into school to pay for the full week on Mondays. Parents may choose to send a snack. All children benefit from a healthy snack during morning break. Parents may sign students up for Breakfast for Snack by contacting the main office. Please contact the Office Manager or Principal for

information on eligibility for the “Free and Reduced Program.” As a Title 1 school, we receive additional funding based on submitted and approved Free and Reduced Lunch applications. We strongly encourage families to consider these services.

School Telephone

Students should not use the school telephone unless there is a real need. Please make after school arrangements before school. We prefer that students do not bring cell phones to school. If children bring cell phones to school, we ask that they be turned off and kept in backpacks during school hours. If students are using cell phones inappropriately during the school day, they will be asked to store the phone in the principal’s office. It may be claimed at the end of the day.

Parent and Teacher Communication

Teachers are available through e-mail, voice mail, telephone and notes. Please visit our website at www.kearsarge.org for further information about communication. If a student needs extra help, your child may be encouraged to join homework club.

Parent/Teacher conferences are held at least once each school year at the conclusion of the first quarter.

Progress reports and requests for additional parent/teacher conferences are welcomed throughout the school year as the need arises. Please contact your child’s teacher, case manager and/or interventionist if you wish to schedule a conference.

Parents, guardians or community members who have concerns should start communication at the appropriate level. If satisfaction is not reached, the concern may be shared in the following order:

- 1. teacher**
- 2. principal**
- 3. assistant superintendent**
- 4. superintendent**
- 5. school board**

Parking

Buses, cars and pedestrians share the same space each day. Here are a few tips to keep it all running smoothly:

- Cars may park in the spaces along the far side of the school, along the road during the non-winter months, and in front of the school after 8:30am and before 1:45pm.
- Handicapped parking is located directly in front of the school by the main entrance.

Arrival

To help enhance student safety and provide a more efficient traffic flow in the front loop of Sutton Central School, we ask all families who are dropping off students in the morning to following these expectations:

1. Students should arrive no earlier than 7:45am. We provide coverage from 7:45am to 7:55am and students will be asked to remain in the main entrance area of the school until they can proceed to their classrooms at 7:55am. If a parent or guardian is reporting to the school for a morning meeting with a staff member, we ask that you park in a designated parking spot and not in the front loop of the school. We recognize special circumstances may arise on a non-routine basis where students may need to arrive prior to 7:45am and we ask that you provide at least a 24-hour notice so we can confirm coverage will be available. You may call or email Becca Rowe at 927-4215 or rrowe@kearsarge.org when these special situations arise.
2. We ask that all vehicles remain to the right and form a single line when pulling into the front loop of the school from Newbury Road. The traffic flow through the loop is one way. Please do not form double lanes of traffic by using both the right and left lanes of the loop. There may be a line of cars on Newbury Road waiting to enter the loop, we ask for your patience to remain in line until it is time for your student to exit the vehicle. The first vehicle to enter the loop should pull completely up to the set of designated orange traffic cones. At the cones, students should leave the vehicle from the right side and walk towards the main entrance area. We request that students do not exit the vehicle from the left side. Once a student has departed from the vehicle, families should proceed out of the front loop in a single line onto Newbury Road. If you intend to enter or remain in the school for any period of time, we ask that you park in a designated spot beyond the front loop of the school.
3. We ask all families to adhere to the directions and instructions provided by the SCS staff member on duty to manage and monitor the morning drop-off process.

Dismissal

At the end of the day, children being picked up by car will be dismissed first out the back door, busers will be dismissed out the front of the building and walkers will be dismissed after the busses leave. We ask families to adhere to the pick-up procedures to ensure the safety of all students. Private vehicles should not enter the front loop while buses are present at the end of the school day.

Visitors

All visitors, including volunteers, parents and siblings are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at the school. Staff and students expect to see an identification badge on all adults in the school.

Visitors must sign in, identifying their name, the date and time of arrival and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

All classroom visits should be arranged and scheduled through the classroom teacher. This will help avoid class/instructional interruptions during the school day.

Blizzard Bag Days

The Blizzard Bag Program is an important educational initiative! This program originated in the Kearsarge Regional School District and promotes learning outside the walls of the classroom. Students have the opportunity to learn at home when weather conditions call for a “Snow Day” or any school closure.

Students work on their Blizzard Bags at home, with a friend, library, local college ... outside, inside, everywhere learning takes place! The KRSD Blizzard Bag learning opportunity allows students to experience independent, hands-on, experiential learning. It also sets the stage for lifelong learning, starting in kindergarten and lasting for a lifetime! Blizzard Bags afford us the chance to extend and blend learning beyond the walls of the KRSD.

A Blizzard Bag Day is typically called when we have an event which prevents KRSD schools from opening. There are currently lesson plans set for five Blizzard Bag days in the schools of the Kearsarge Regional School District. Blizzard Bag information will be listed on teacher websites. ***You may choose to complete lessons online or on paper.*** At the elementary level, BB lessons are also sent home in a physical bag (in case you are unable to access the web). All Blizzard Bag lessons are expected to be returned based on the rules established at each school (maximum is two days after the BB Day).

Blizzard Bag days are determined by the KRSD Superintendent’s office and parents will be notified via the Rapid Notification System (a call and/or email will be placed to your home). If you have not received Rapid Notification messages in the past, or your contact information has changed, please contact the main office of your local school to update your information.

WE MUST HAVE AT A MINIMUM, 80% STUDENT PARTICIPATION IN ORDER FOR A BLIZZARD BAG TO BE ACCEPTED AS A SCHOOL DAY. Those that do not return their Blizzard Bag Work will be considered absent on that day.

Drills, Safety Procedures and Conduct

There will be periodic safety drills held throughout the year. These will include fire, drop & cover, evacuation, reverse evacuation, lockdown and shelter-in-place drills. Students are required to be silent and shall comply with the directives of school officials during emergency drills.

Sutton Central School participates in a variety of safety drills. They include:

- safety drills (i.e. fire)
- evacuation drills - Should a situation arise such as a fire, an oil leak, etc., and it becomes necessary to evacuate the school, Sutton Central students may be taken to the Town Hall until such time that dismissal plans have been arranged.
- severe weather (shelter-in-place) drills
- bus evacuation drills each school year

There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students.

TRANSPORTATION

School Bus Procedures

Students will ride the bus to which they have been assigned and get on and off at assigned stops. Any change from this procedure requires a written note from the parent/guardian. A bus pass will be issued from the Front Office. Please refer to policies EEAJ & JICC at the end of this handbook for further details.

School Bus Conduct

Student conduct is expected to be essentially the same on the bus as in the classroom. Appropriate action will be taken to maintain good order on the school buses, including verbal warnings, written warnings and misconduct reports. Consequences may vary, including assigned bus seats, community service, meeting with parents or suspension from the bus and/or school.

Bike Riders and Walkers

Students who walk to and from school will be dismissed after the busses have gone. There is a bike rack for student use located in front of the school.

GENERAL INFORMATION

Student Behavior

Sutton Central has three main expectations. They are:

~Be Safe

~Be Respectful

~Be Responsible For Your Learning And Actions

Teachers discuss appropriate behavior with students, noting that physical abuse; verbal abuse, profanity and vandalism are not to be tolerated in the school environment. Our approach to discipline is based on our social emotional learning curriculum and Caring School Community program which helps students accept consequences (both positive and negative) for their actions and often includes developing a Responsibility Plan.

Should a student choose not to follow school rules, the staff member who observes the unacceptable behavior will fill out an Incident Report. These forms are filed in the Principal's Office. Depending on the infraction, the report may be mailed home with a request for a parent's signature and return.

Consequences for breaking the rules vary. Minor infractions may result in missed recesses, verbal or written apologies, talks with the student and parents, or community service. Infractions of a more serious nature may result in in-school suspension, out-of-school suspension or expulsion.

Please note the Bullying Policy (JICK) in the back of this handbook.

Code of Conduct

KRSD elementary schools approach student discipline through the lens of social emotional learning (SEL). During the 2018-2019 school year, KRSD elementary schools adopted and implemented the Caring School Community (CSC) SEL program in kindergarten through 5th grade. As such, the elementary student code of conduct is based on key SEL principles that include:

- All children want to feel safe, successful, accepted, and connected to others and all parents/guardians want their children to succeed.
- Behavior is learned. Children are capable of learning to adapt to school norms even if there are different norms outside of school. Behaviors that do not fit the norm are opportunities to learn rather than attributed to a child's character.
- Children who feel connected to their community will feel a sense of responsibility to themselves and others. Empathy is critical to developing self-motivation to avoid misbehavior.
- Effective discipline involves mutual respect and caring relationships.
- Developmentally appropriate and targeted, engaging SEL curriculum supports long-term changes in student behaviors and reduces discipline problems.

- Good classroom management that includes consistently high behavior expectations and explicit teaching of social emotional skills provides life-long productive behaviors.

(Adapted from: Caring School Community (2nd Ed.): Principal's Edition Caring School Discipline - A Guide to Helping Students Develop Self-Discipline Grades K - 5. (2018). Center for the Collaborative Classroom. Alameda, CA. pages XVII - XXI.)

KRSD elementary schools utilize a Multi-Tiered Systems of Supports designed to prevent misconduct and promote individual student success in the classroom setting. As such, student behaviors are addressed at various levels depending on the frequency and severity of the infraction. Schools utilize CSC curricula, intervention plans, behavior teams, school board policies and various other strategies to address these behaviors. The outline below represents this tiered approach to student discipline.

KRSD TIERED APPROACH TO STUDENT DISCIPLINE:

Tier 1 Behavior:

- Low frequency, low-risk behaviors that do not significantly impact student safety or learning
- Behaviors may include: noncompliance, disruptive talk, hands-on, silliness and other off-task behaviors

Tier 1 Intervention:

- Handled by classroom teacher through redirection, conversation and/or parent contact
- Behaviors may be addressed through CSC whole class lessons or individualized instruction
- If frequency of these behaviors continue, this may result in Tier 2 behavior

Tier 2 Behavior:

- Similar types of behaviors as Tier 1 with greater frequency and impact on student learning
- Behaviors may include more frequent: noncompliance, disruptive talk, hands-on or disengagement from learning
- May also include a single occurrence of a more significant nature such as inappropriate language or defiance

Tier 2 Intervention:

- Students in grades Preschool-1 will develop Individualized Learning Plans with input from classroom teacher, parents/guardians and behavior team (as needed).
- Students in grades 2-5 may participate in a student conference with classroom teacher and school administrator (as needed). Parents will be contacted as well.
- Behaviors may result in loss of student privileges, including recess or classroom choice time

Tier 3 Behavior:

- Higher frequency, higher risk behaviors that impact student learning
- Behaviors may include continued misconduct addressed in Tier 2 conferences and/or student learning plans
- Behaviors also include: academic dishonesty, aggression, defiance, inappropriate touching

Tier 3 Intervention:

- Referral to building administration
- Students in grades 2-5 will develop Individualized Learning Plans with input from classroom teacher, parents/guardians and behavior team (as needed).
- Behaviors will result in parent contact and may result in loss of school privileges including recess, access to lunchroom or classroom choice time

Tier 4 Behavior:

- Behaviors that significantly impact student safety and/or learning (use language from new board policy)
- Behaviors may be a single, significant occurrence or recurrence of a prolonged behavior
- Behaviors include: aggression, property destruction, harassment, bullying, significant defiance or abusive language

Tier 4 Intervention:

- Immediate referral to building principal and parent contact required
- Behavior will result in loss of school privileges, including potentially recess, access to lunchroom or classroom choice time
- Safe Schools report may be filed with local law enforcement agency
- In-school or out-of-school suspension may be considered (Refer to Board Policy [JICD](#) for greater detail of suspension process)

School Dress

Children go outside for recess all year long. Please send your child with hat and mittens in cold weather. Footwear must be worn at all times. Students' clothing should cover their undergarments at all times. Daily clothing should not jeopardize the health or safety of the individual or others, and not disrupt the educational process. Students' clothing should be appropriate in our Drug Free School Zone. Except in special circumstances, hats may not be worn in the school building.

The school administration reserves the right to determine whether the student's attire is within the limits of decency and modesty. The principal may allow exceptions in special circumstances: holidays, performances, etc.

ITEMS NOT TO BE BROUGHT TO SCHOOL

Valuable items, toys, pets, large sums of money, cell phones, expensive jewelry, electronic devices, etc. should not be brought to school. Unusual items that need to be brought to school for a project should be cleared through the classroom teacher and administration. ***Note: Sutton Central School assumes no responsibility for valuable items or cell phones which are lost, damaged or stolen.*** Law strictly forbids knives, guns or weapons of any kind. Please note the Safe School Policy located in the back of this book. (JICI)

Food in School

We try to be sensitive to the dietary needs of every child. Parents should not send food items to their child's classroom unless it has been cleared by the teacher. Teachers will let parents know in advance when they plan on providing food in the classroom or would appreciate that snacks be sent in. For example, during state testing, fruit and cheese are usually offered to all test takers.

Birthdays

If bringing birthday party invitations to school, please have an invitation for everyone in the class. You are welcome to bring in a special birthday snack as long as you have coordinated it with the teacher. Please prepare snacks in alignment to any known allergies that may be present in the class.

Sutton Central Days

During this school year, we will have several special days.

Current special days are:

Environmental Camp, Field Trips, DARE, Winter Activities Program, Halloween Mask Parade, Holiday Classroom Celebrations, Spelling Bee, March Madness Theme Days, Grandparent's/Special Friend Lunch, Fun Day

Please visit the school website regularly for schedules and dates related to these special events.

INSTRUCTIONAL & SUPPORT SERVICES

Curriculum

The Kearsarge District has aligned its curriculum to the Common Core State Standards (CCSS). This federal program replaces the frameworks aligned to the No Child Left Behind program. Children will be assessed using the Statewide Assessment System (SAS). This assessment is given on computers during the spring in 3rd, 4th and 5th grade.

The following is a summary of some of the programs (including, but not limited to) that are implemented to support the Common Core State Standards (CCSS):

<u>Subject</u>	<u>Grade</u>	<u>Description</u>
<i>Literacy</i>	K-5	Journeys (Phonics, phonemic awareness, reading, listening, speaking, writing; comprehension)
<i>Social Studies</i>	K-5	Scholastic News and other grade-level materials
<i>Science</i>	K-5 3,4,5	District flipcharts FOSS Science Kits
<i>Mathematics</i>	K-5	EnVisions Math
<i>Unified Arts</i>	K-5	*Art is held once weekly *Health is held bi-weekly (approximately 15 classes per year) *Library is held once weekly *Music is held once weekly *Physical Education (PE) is held twice weekly. <i>It is strongly encouraged that students dress in comfortable clothing for movement and also athletic shoes/sneakers.</i>

SPECIAL EDUCATION SERVICES

Special education is instruction that is designed to meet the unique needs of children who have disabilities. Certain children with disabilities are eligible for special education and related services. The Individuals with Disabilities Education Act (IDEA) defines childhood disabilities to include a number of different emotional or physical conditions. Specifically, IDEA defines a “child with a disability” as a child with mental retardation; hearing, speech, or language impairments; visual impairments; orthopedic impairments; serious emotional disturbance; autism; traumatic brain injury; other health impairments; or specific learning disabilities, who for this reason, needs special education and related services. Children with learning disabilities receive instruction designed to meet their needs that result from the disability and to help them learn the information and skills that their non-disabled classmates are learning.

Who is eligible for special education?

According to the IDEA, the disability must affect the child's educational performance. State and federal laws guarantee every student a Free and Appropriate Public Education (FAPE). Each school district is responsible for identifying children who have a disability that could interfere with their learning and for making accommodations for that child so that they may have access to the general curriculum in order to be able to participate with regular education students to the maximum extent possible.

** More information about special education can be found at www.kearsarge.org under the Special Education tab and also at the New Hampshire Department of Education site.*

Assessment

Learning is assessed in multiple ways throughout the school year. State testing is conducted in the spring of each school year. Reading, Writing and mathematics is done in grades 3, 4 and 5. Science3 testing is done in grade 5. In addition, district testing is conducted at least 3 times per year (fall, winter and spring) in all grade levels to measure student growth in reading and mathematics. Also, many other tests are given throughout the year by teachers that align to program resources and include weekly probes or checks that only take a few minutes. The goal is to have a balanced assessment system that provides information on student growth and academic achievement throughout the school year.

- a. NAEP (National Assessment for Educational Progress)** - The NAEP (also referred to as the 'Nation's Report Card') is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, U.S. history, and in Technology and Engineering Literacy. In 2017, NAEP began administering digitally based assessments (DBA) for mathematics, reading, and writing, with additional subjects to be added in 2018 and 2019.
- b. SAS (Statewide Assessment System)** - The SAS is a state-led consortium working to develop and implement next-generation assessments that accurately measure student progress toward college and career readiness in mathematics and English literacy. SAS assessments will take place in the spring. English Language Arts and Mathematics assessments take place in grades 3-5. Each assessment is based on the NH College and Career Readiness Standards for that year of learning. Students in grade 5 will also be

assessed in science. Snacks may be provided for the students. Teachers consult with parents/guardians and also meet with grade level teams to determine necessary assessment accommodations.

- c. Quarterly Benchmark Assessment** - There are several Benchmark Assessments specific to each grade level. Benchmarks include both mathematics and reading/literacy assessments. They are given three times a year: September, January and May. In addition to these benchmarks, strategic assessments in both reading and math may take place in October and March, just prior to report cards. *The Reading Specialist and/or Math Coach* may be responsible for administering most of the benchmarks for students. In addition, teachers may be responsible for administering several grade level or classroom assessments.

Volunteers and Parent Teacher Organization (PTO)

Sutton Central has an active parent teacher organization called Friends of Sutton Central School. Meetings are held at 6:00p.m. on the second Tuesday of the month. Attendance at PTO meetings is welcomed, but not required. There are many opportunities for parent/community volunteers in our school and we welcome them. The following is an overview.

In the fall, each classroom teacher shall request a Classroom Parent. This designated parent will be responsible for responding to specific teacher requests and serving as liaison between the teacher and the other classroom parents for the current academic year.

Examples of activities carried out by the Classroom Parent might include:

- Contacting parents to provide a teacher requested snack for NECAP testing or other activities.
- Contacting parents to request assistance with special class projects, such as typing for publication or sewing Colonial Day costumes.
- Contacting parents to support a specific Sutton Central activity such as “The Strut in Sutton 5k.”
- Contacting parents to participate in activities such as Movie Nights.

Sutton Central School values our volunteers. We could not provide our many extended opportunities without these efforts. All volunteers must be fingerprinted and complete a background check. Please refer to the Policy IJOC for additional information.

Glossary of Sutton Central School Programs

(This glossary includes, but is not limited to, additional programs available to Sutton Central School Students).

Kearsarge Math League - Our math league is designed to be an extra math challenge in a casually competitive environment. Students in grades two through five throughout the Kearsarge Regional School District are invited to compete in four math meets throughout the school year. Meets will take place during regular school hours, and participation is optional. Each student who chooses to participate will work independently for thirty minutes solving six math problems. The questions are meant to be challenging and to stretch their problem-solving skills. Children who participate in all of the meets at their grade level will receive a KML prize. The top three scorers from each school will be invited to participate in the Kearsarge Math League Championship, held at Kearsarge Regional Middle School, where the district's' top grade-level champions will be crowned.

Advanced Language Arts Pull Out Program with Reading Specialist

The purpose of this program is to provide an opportunity for students gifted in language arts to work directly with the Reading Specialist. Students are identified by the classroom teacher for this group pull out program. This program meets once per week for 30 minutes. The group focuses on literature-based activities designed to enrich young readers and support the development of critical thinking skills, problem-solving strategies, reading fluency and comprehension.

D.A.R.E. (Grade 5)

D.A.R.E. stands for Drug Abuse Resistance Education. It is a drug abuse prevention education program designed to equip elementary, middle and high school children with knowledge about drug abuse, the consequences of abuse, and skills for resisting peer pressure to experiment with drugs, alcohol and tobacco. Uniformed law enforcement officers team with our own school staff to teach a formal curriculum to students in a classroom setting.

Environmental Camp (Grade 5)

This is an overnight program that takes place at Camp Coniston where fifth grade students study pond life, bog life and orienteering. Students also take a nature hike and participate in small group team building activities.

Gifted Student IAP (Individual Action Plan)

A written plan of action for gifted students is referred to as an IAP. It includes programs that the student will participate in while at Sutton Central School and/or outlines appropriate accelerated course work. The Enrichment Coordinator oversees these plans.

Johns Hopkins Youth Talent Search

Students who score in the 97th percentile or higher on grade-level standardized tests qualify to take the Johns Hopkins PLUS test. The purpose of this test is to identify, assess and recognize students with exceptional academic abilities. The Center for Talented Youth (CTY) conducts annual talent searches that enroll students in grades two through eight from over 10,000 schools. There is a registration process and parents are responsible for these fees, as well as transportation to the testing center.

Junior Great Books

This program takes place in the classroom and all students participate. It runs for approximately one quarter and helps students develop interpretive thinking and oral language skills. Students ask questions about the meaning of a story and explore, support and develop their own insights through shared inquiry.

Winter Activities

Winter Activities are offered at Sutton Central for five weeks on Wednesdays in January and February. Students have the options in taking part in Skiing/snowboarding at Mt. Sunapee, ice skating at Proctor Academy or the Winter Pursuit program at school.

Open House

Sutton Central School opens its doors to school families each fall. Families can visit their child's classroom, meet teachers and specialists and see what the children are learning.

Friends of Sutton Central School/Parent Teacher Organization

The PTO meets each month on the second Tuesday at 6:00 p.m. and includes parents, teachers and the principal. This organization fundraises to support school programs. The PTO also sponsors guest speakers and provides other educational opportunities for parents and students.

School Assemblies and Celebrations

Throughout the year students participate in whole school assemblies to celebrate holidays such as Veterans' Day, Spelling Bee, performances and to discuss current events. Please visit the school website regularly for event details and schedules.

Spelling Bee

The 4th and 5th grade students may choose to participate in a spelling bee, held in late January/early February. This event is open to the public. The winner goes on to the Scripps Howard state spelling bee.

Study Island

This web-based program prepares students for standardized tests. Students answer multiple-choice questions in the areas of math and reading and get to play graphic games as a reward. Your child has a password to access tests designed by his/her teacher at home.
(<http://www.studyisland.com>)

Talent Show

Any student who wants to participate may do so. Under the direction of the PTO, the show is usually held during the fourth quarter at KRMS.

*******KRSB POLICIES YOU SHOULD KNOW*******

Please note that all policies may be found at <http://www.kearsarge.org/school-board/school-board-policies>.

ATTENDANCE, ABSENTEEISM, AND TRUANCY: JH

Absences

The Board requires that school-aged children enrolled in the District attend school in accordance with all applicable State laws and Board policies. The educational program offered by the District is predicated upon the presence of the student and requires continuity of instruction and classroom participation in order for students to achieve academic standards and consistent educational progress.

Attendance shall be required of all students enrolled in the District during the days and hours that school is in session, except that the principal may excuse a student for temporary absences when receiving satisfactory evidence of conditions or reasons that may reasonably cause the student's absence.

The Board considers the following to be excused absences:

1. Illness
2. Recovery from an accident
3. Required court attendance
4. Medical and dental appointments
5. Death in the immediate family
6. Observation or celebration of a religious holiday
7. College visits
8. Family vacation/education opportunities
9. Such other good cause as may be acceptable to the Principal or permitted by law

Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

In the event of an illness, parents must call the school and inform the district of the student's illness and absence. For other absences, parents must provide written notice or a written excuse that states one of these reasons for non-attendance. The Principal may require parents to provide additional documentation in support of their written notice, including but not limited to: doctor's notes, court documents, obituaries, or other documents supporting the claimed reason for non-attendance.

If parents wish for their child to be absent and excused for a reason not listed above, the parent must provide a written explanation of the reason for such absence, including why the student will be absent and for how long the student will be absent. The Principal will make a determination as to whether the stated reason for the student's absence constitutes good cause and should be excused and will notify the parents via telephone and writing of his/her decision. If the Principal determines that good cause does not exist, the parents may request a conference with the Principal to again explain the reasons for non-attendance. The Principal may then reconsider his initial determination. However, at this juncture, the Principal's decision shall be final regarding excused absences.

Family Vacation/Educational Opportunities

Generally, absences other than for illness during the school year are discouraged. The school principal or his/her designee may, however, grant special approval of absence for family vacations, provided written approval is given in advance. Parents are asked to write a note to their child's teacher(s) at least two weeks before the trip. This advance planning will allow the teacher enough time to work with parents and the student regarding the completion of assigned work.

Truancy

Truancy is defined as any unexcused absence from class or school. Any absence that has not been excused for any of the reasons listed above will be considered an unexcused absence.

Ten half days of unexcused absence during a school year constitutes habitual truancy.

A half day absence is defined as a student missing more than two hours of instructional time and less than three and one half hours of instructional time.

Any absence of more than three and one half hours of instructional time shall be considered a full day absence.

The Principal or Truant Officer is hereby designated as the District employee responsible for overseeing truancy issues.

JH continued...

Intervention Process to Address Truancy

The Principal shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process that identifies students who are habitually truant, as defined above.

When the Principal identifies a student who is habitually truant or who is in danger of becoming habitually truant, he/she shall commence an intervention with the student, the student's parents, and other staff members as may be deemed necessary. The intervention shall include processes including, but not limited to:

1. Investigating the cause(s) of the student's truant behavior;
2. Considering, when appropriate, modification of his/her educational program to meet particular needs that may be causing the truancy;
3. Involving the parents in the development of a plan designed to reduce the truancy;
4. Seeking alternative disciplinary measures, but still retaining the right to impose discipline in accordance with the District's policies and administrative guidelines on student discipline.

Parental Involvement in Truancy Intervention

When a student reaches habitual truancy status or is in danger of reaching habitual truancy status, the Principal will send the student's parent a letter which includes:

1. A statement that the student has become or is in danger of becoming habitually truant;
2. A statement of the parents' responsibility to ensure that the student attends school; and
3. A request for a meeting between the parents and the Principal to discuss the student's truancy and to develop a plan for reducing the student's truancy.

Developing and Coordinating Strategies for Truancy Reduction

The Board encourages the administration to seek truancy-prevention and truancy-reduction strategies along with the recommendations listed below. However, these guidelines shall be advisory only. The Superintendent is authorized to develop and utilize other means, guidelines, and programs aimed at preventing and reducing truancy.

1. Coordinate truancy-prevention strategies based on the early identification of truancy, such as prompt notification of absences to parents.
2. Assist school staff to develop site attendance plans by providing developmental strategies, resources, and referral procedures.
3. Encourage and coordinate the adoption of attendance-incentive programs at school sites and in individual classrooms that reward and celebrate good attendance and significant improvements in attendance.

Additionally, the Superintendent shall also ensure that this policy is included in or referenced in the student handbook and is mailed to parents annually at the beginning of each school year.

If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

4. Upon request, the School District discloses education records without consent to officials of schools in which a student seeks or intends to enroll.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

KRSD Responsible Use Policy (RUP)

The Kearsarge Regional School District (KRSD) provides access to a comprehensive collection of technology resources for employee and student use. These technology resources are to be used for educational purposes only.

The KRSD Responsible Use Policy outlines appropriate use and prohibited activities when using all technology resources and electronic devices as defined by school administrators.

Every employee and student is expected to follow all of the rules and conditions listed, as as those given verbally by KRSD administrators and/or teachers, and to demonstrate responsible citizenship and ethical behavior at all times.

KRSD RUP was developed by the 2014-2015 Digital Citizenship Incentive Team with input from KRSD technology committee and KRSD Leadership Team.

KRSD Responsible Use Policy (RUP)

-Parent Agreement

As the parent or guardian of this student, I have read the Responsible Use Policy and have discussed it with my child.

I have also read and discussed the **following points with** my child.

- The use of school devices, the school network, the Internet, and the Google Ed Apps suite of tools is a privilege, not a right.
- The Kearsarge network, Google Ed Apps account and school email are owned by the KRSD and are not private. KRSD has the right to access the information at any time.
- The computer/network/Internet access and Kearsarge accounts are provided in Kearsarge Schools for educational purposes only in keeping with the **academic goals of the KRSD** and student use for any other purpose is considered inappropriate.

I understand that the consequences of my child's actions for not complying with the RUP may include loss of computer/network/Internet privileges, school disciplinary action, and prosecution under state and federal law, and/or payment for intentional damage of school devices. KRSD administrators will decide what conduct is inappropriate use if such conduct is not specified in this agreement.

I recognize that it is impossible for KRSD to restrict access to all controversial materials, and I will not hold the school responsible for materials acquired on the school network.
