What is the KRSD Parent Partnership Group?

A group consisting of KRSD parents/ guardians and Special Education Administrators whose goal is to help families connect with the school district, to create positive connections between families, and to support the Kearsarge District's efforts to gain valuable family and community feedback regarding students' needs, in order to continue to work collaboratively towards the KRSD vision. To learn more, check out the district website:

Who are we?

We are parents or guardians of KRSD students who receive special education services or supports. We serve on KRSD's Parent Partnership Team, and work closely with Special Education Administrators to provide support to other families, identify community resources, plan educational workshops, and assist in engaging families in partnership building efforts.
