

**KRSD Communications Committee Meeting**  
**Wednesday October 28, 2020**  
**9:00-10:00**  
**SAU/Zoom**

**Members present-** Alison Mastin, Michael Bessette, Winfried Feneberg, Abby Peel, Bebe Casey, Barbra Turner, Laura Newman.

**Agenda Items-**

**Responsible Use Policy Update-** We will be updating the KRSD Responsible Use Policy to include expectations for use of personal devices, appropriate behavior, live streaming, radio, may not use personal device for these unless instructed to do so. Need to have discussions with students and staff about what the district expectations are regarding personal devices.

**Ransom Ware-** We discussed the data breach that took place on our server. No personal identifying information was breached. It cost money to have this investigated. We are also going to pay to have more protections against this in the future. We were very lucky. Barb is working on this.

**COVID Communications update-** Michael updated the committee on all of the KRSD communications regarding COVID. We have been trying to communicate as much as we can without saturating people with information. Many positive comments from parents and community members about the timely communications. The state has been slow on contract tracing etc, so we can only work as fast as they are. We have handled our cases or potential cases very well.

Next Meeting - November
