Hosted by: KRSD Parent Partnership

This session gives a “nuts and bolts” look at the IEP so that parents can be more informed members of their child’s IEP team. Using the “Easy IEP” format as a foundation, participants learn about each component in their child’s IEP. The session includes discussion of how all team members can work together to develop an IEP with all of the required components, including measurable annual goals based on evaluations and other data, individualized for their child.

Pre-registration is highly recommended for this free workshop. Pre-registration will ensure that you receive materials electronically prior to the meeting. To pre-register or for more information, please contact the Parent Information Center on Special Education at: 1-800-947-7005 or (603)-224-7005, or e-mail us at: admin@picnh.org. If you require special accommodations please specify when registering.
